Violation Number Nature of Noncompliance

1 On March 11, 2024, Teixeira was drug tested at the Probation Office and was positive for marijuana.

U.S. Probation Officer Action:

Teixeira was verbally reprimanded for using marijuana. Teixeira reports having a New Jersey Medicinal Marijuana card and was instructed to provide it. He continues to take his prescribed medication for depression and anxiety. Since Teixeira was unable to secure a mental health evaluation through his primary care doctor, the probation office has referred him to Oaks Integrated Care for an assessment and services. Teixeira remains in compliance with all his other conditions of release. This noncompliance report will serve as a written reprimand and will be provided to him. At this time, we are not recommending any court action to be taken. If Mr. Teixeira provides a valid Medicinal Marijuana card and supporting medical documentation, we will provide same to the Court. We will continue to monitor his compliance and notify Your Honor of any additional noncompliance.
